School Breakfast

EAT SCHOOL BREAKFAST

it gives you energy

Dear Parents:

We are renewing our commitment to making sure that all of our students are fully prepared for academic success. As we all recognize that hungry children cannot learn, the first step is ensuring that all students begin the school day with a nutritious breakfast at home or at school.

The School Breakfast Program is available to all students every weekday morning here at school. These supervised meals meet all government nutritional guidelines, and our food service management company, Aramark, is working to provide students with a variety of choices.

School Breakfast is an ideal solution on mornings when kids are running late or parents have early commitments. Whatever the reason, if breakfast at home is not convenient, please take advantage of breakfast here at school. Thank you for helping us to make sure that all of our students start the school day alert, well fed and ready to learn.

Sincerely,
Pamela Hudson Pruitt, Education Director/ CNP Liaison

This institution is an equal opportunity provider.
